### **Aviation Appreciation Day**

Dear Crafter/Vendor,

Air Heritage will be sponsoring our annual Aviation Appreciation Day on August 23<sup>rd</sup>, 2014 at our hangar at the Beaver County Airport. This event supports the museum's efforts in restoring rare and historic aircraft of our military's past and to make sure the legacies of our veterans are never forgotten. It is not strictly about aviation as we also have an antique car show and a few local vendors at our event as well.

This year, we are expanding the event to include a craft show in hopes of attracting more women and making it more of a family event where there is something for everyone in the family to enjoy.

We are asking \$40 for a ten foot by ten foot space. All crafters/vendors will be set up outside in the grass field next to our hangar. The area is shown by blue squares on the enclosed map. Space will be limited and will be provided on a first come, first serve basis. Tables and chairs are not provided for the craft show.

Our event drew a crowd of over 5,000 people last year throughout the day. Over the last few years, attendance has steadily grown and we are expecting, weather permitting, an increase in attendance.

Breakfast and lunch will be available throughout the morning and afternoon respectively. A bake sale will also take place throughout the day as well.

If you are interested in participating in what would probably be the most unique venue, please fill out the enclosed form and mail it to us along with your non-refundable check prior to August 1<sup>st</sup>, 2014.

Any questions on our event or your attendance can be emailed to me personally at [Tpinks@comcast.net](mailto:Tpinks@comcast.net). Please use Aviation Appreciation Day in your subject line.

Thank you very much,

**Tyler Pinkerton**  
2014 Aviation Appreciation Day Coordinator

## Craft Show Details

Even though you are a crafter/vendor, you are more than welcome to leave your space and explore the event. In fact we encourage you to do so. Because of the aim of our event, we invite you to invite your significant other(s) or family members to help you with your booth. That way, you can get food or use the restroom or explore the aircraft and cars without having to leave your space unattended.

- **All Vendors will be located outside in an open field next to our hangar/ramp.**  
(See event Diagram)
  - **Pop up tents are allowed,**
    - This is a fly in for aircraft; both airplanes and helicopters. There will be running aircraft in the near vicinity of some of the crafter/vendor's spaces.
    - All tents must be firmly secured to the ground due to the possible light winds produced by these aircraft.
  - **No Tables or Chairs will be provided to the Crafters/Vendors for use.**
    - You must bring everything you will need to set up your booth/area for the day.
- **No running water or electric will be provided to the crafter/vendors at their booth area.**
- **NO PREPARED FOOD OR DRINKS ARE ALLOWED TO BE SOLD IN THE CRAFT/VENDOR AREA.**
- **The \$40.00 Crafter/Vendor fee is non-refundable.**
  - **Rain or Shine, the show will go on**
- **All Crafters/Vendors must be set up PRIOR to 8AM the day of the event**
  - Friday, August 22<sup>nd</sup>, you will be able to begin setting up your booth.
    - A representative will be there from 10AM that morning until 7:30PM that evening to allow you to set up.
    - **IT IS HIGHLY RECOMMENDED TO SET UP AS MUCH AS POSSIBLE THE DAY BEFORE THE SHOW.**
  - You will be able to drive your vehicle to the general area of your booth all of Friday and early Saturday Morning to set up.
    - **ALL VEHICLES MUST BE OUT OF THE CRAFT/VENDOR AREA BY 8:30AM SATURDAY MORNING.**

- If you have not set up by 9AM Saturday morning, you will still be able to set up your booth. **HOWEVER, you will not be permitted to drive your vehicle to the Craft/Vendor Area.** You will have to haul everything in on foot/cart.

## Craft Show Details Continued

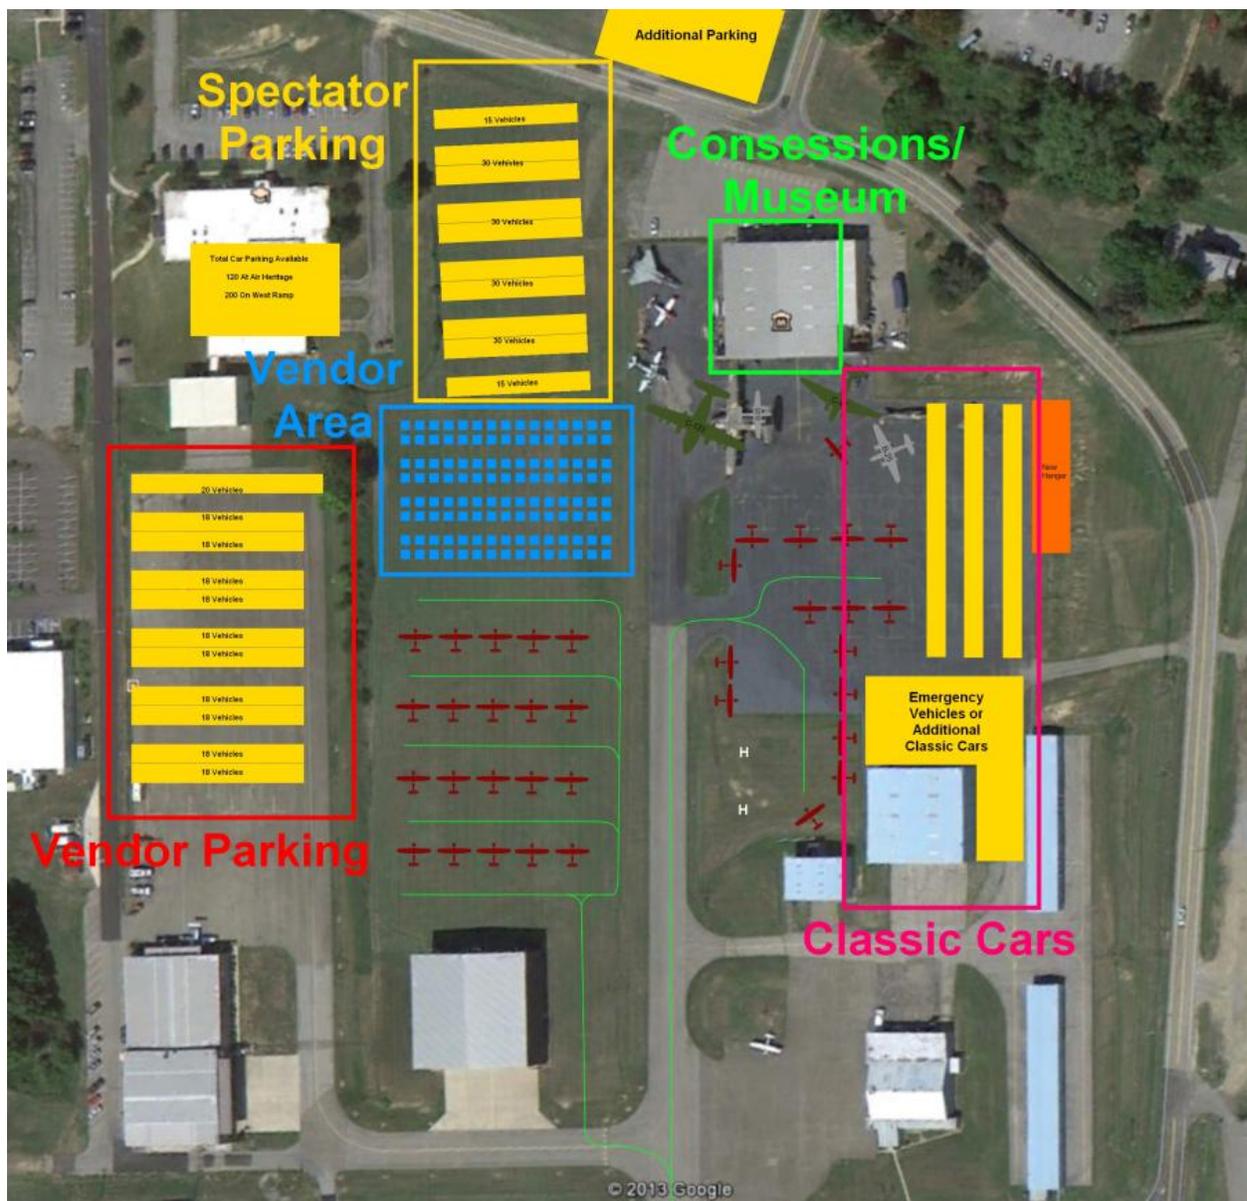

- **Crafter/Vendor's vehicles will be parked separately from visitor vehicles at another location on the airport. (see Diagram of event)**
  - Your vehicle will still be within walking distance to your space, though there will be a slight embankment between the two.
- **Completion of the event**
  - The event ends at 4PM and typically the crowds begin to wind down around this time.
    - Vendors must remain open until then.
    - **Vehicles will not be allowed into the Crafter/Vendor area until directed by the event coordinator.**
