Air Heritage Inc. is a 501(c)3 non-profit organization dedicated to the restoration of historical and military aircraft and the preservation of aviation history. We are 100% dependent on membership fees, donations, and fundraising to support the museum and our aircraft. All officers, staff members, board members, pilots, and mechanics are volunteers and do not receive compensation for their valuable time and talent! Please let us know if you are interested in volunteering at the museum in any capacity. You are welcome to join us! Your membership and donations to support our organization are greatly appreciated!
